

“Bridging the Gap to Homeownership”

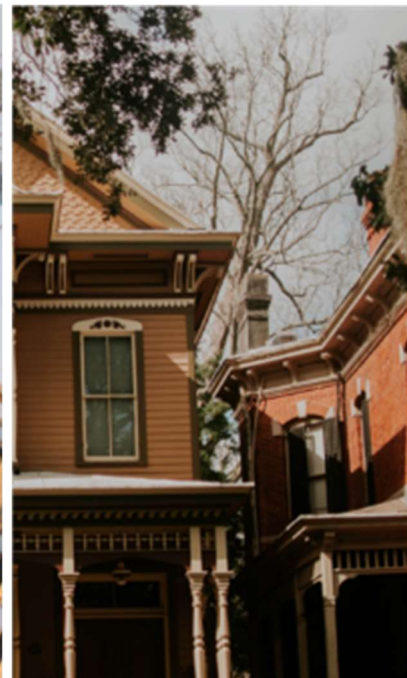

Pacific Bay

IT IS NOW TIME TO SECURE YOUR...

HOMEOWNER'S INSURANCE

Lenders require that homeowner's insurance be in place at the close of escrow. Now is the time to begin getting quotes and choosing an insurance provider.

1. We always suggest starting with your auto insurance company as they may offer bundles.
2. There are many online resources as well that will offer quick quotes online.
3. The amount of the policy will be paid AT CLOSE. There is no need to pay for the policy in advance
4. Once you choose a company, forward the quote to your loan officer.
